A Cause for Joy

Vivian Lau *and* ***Daniel Lim*** *celebrated their nuptials with a lavish wedding reception attended by many dear guests*

VIVIAN LAU and Daniel Lim were often described by friends as a sweet old married couple, even before they tied the knot. The couple met through a mutual friend at Monash University Caulfield in Australia and it didn't take long for Vivian's parents to welcome Daniel into the family, once they had started dating. According to the bride, the proposal was totally unexpected. "I planned a sibling trip to Koh Samui and Daniel joined us. He proposed to me on the second night of our trip. In the middle of the night, he woke me up and brought me to the courtyard," Vivian revealed. Having her eyes closed, she opened them and was surprised at the sight of roses and candles arranged in a circle. "I did not have much time to think, I only remember him asking to marry me." Their union called for three themed wedding receptions—Vintage Circus, Old Hollywood Glam, and Asian Chic—one of which was held at the Mandarin Oriental, Kuala Lumpur. With the help of wedding planner Leticia Hsu, the bride's dream wedding celebration was brought to life. The night ended with plenty of laughter, tons of photos and a lot of hugs. Some of the who's who in the country also joined in on the celebrations.

SWEET MOMENTS

The couple's most cherished memory of the wedding reception was witnessing their family members being very supportive and proactive. The bride's sister, Sharmaine, flew down from London just to attend the wedding. Sharmaine and the father of the bride, Tan Sri Francis Lau, also delivered heartwarming speeches, while the bride's brother, Joo Sheng performed an entertaining drum number.
