

COLOURFUL ARRANGEMENTS OF FLOWERS ENLIVENED THE COUPLE'S NATURE THEMED WEDDING

GAVIN CLARKE & SAMANTHA LAI

Long-distance lovers

Not unlike many, Gavin and Samantha's new-age love story came to be with the amazing help of the Internet. Gavin, a born and bred Englishman residing in the U.K. sought the friendship of Samantha from Malaysia the minute he saw her online Facebook profile. What seemed to be a friendly relationship eventually became a full-fledged romance reinforced by Skype for their online dates. Two years later, on one of their travels abroad together and surrounded by the romantic ambience in Paris, Gavin asked Samantha for her hand in marriage.

A backdrop of nature

The wedding was held in an intimate, breezy, poolside setting with peaceful and lush surroundings highlighted by the calming shades of aqua blue decorations. The couple, together with 30 of their cherished guests, including family, celebrated the union of their two hearts surrounded by nature, from the décor right through to the menu at Clearwater Sanctuary Golf Resort,

Perak. Samantha, stunningly dressed in a white corset embroidered gown and clutching a bouquet of red roses, complemented the very dapper groom in his black trousers and a crisp white shirt. It was a spectacular yet emotional affair; tears of joy streamed down their faces as they exchanged their vows, symbolising the purity and endlessness of their love.

Fun-filled night

The dinner reception was no less amazing than the official wedding ceremony. Tables were elegantly set in purple draping with matching lavender-laced chair covers, and colourful flower arrangements in tall vases adorned the couple's dinner table. It was truly a night of laughter and excitement for Samantha and the man who crossed seas to be with his beautiful bride. A special performance was given by local celebrity, Janet Lee. The couple and their guests made merry, laughed and danced the night away.
